

ROOFERS WANTED

The Towns of Johnston and North Providence are seeking contractors to provide roofing services, including roof replacements, roof repairs, flashing, gutter repair/replacement, work on slate roofs, and emergency roof repair services on single-family, two-family and three-family homes as part of the services provided by the CDBG-funded Johnston-North Providence Home Repair program to perform needed residential roofing-related repairs in owner-occupied 1, 2 and 3-family units. Interested contractors must submit a letter of interest and statement of qualifications per the Request for Qualifications. The Towns are seeking to pre-qualify a list of roofing contractors who will then be invited to submit quotes for roof repair projects. The Johnston-North Providence Home Repair program has a queue of over five projects ready for quotation. Only pre-qualified contractors will be allowed to receive an award or submit further quotes to the Home Repair Program for the next three years.

Contractors are asked to respond to this request for qualifications. Specific request for quotes may be issued for several home repair projects during this solicitation period and awarded subsequent to the prequalification.

Contact: North Providence Office of the Purchasing Agent, 401 232-0900, ext. 236 to receive the RFQ or visit: <https://northprovidenceri.gov/purchasing/>
Minority, women, Section 3 and veteran-owned contractors are encouraged to apply.

Submissions are due by 10 am, Monday, December 10, 2018.

Office of the Purchasing Agent, North Providence Town Hall,
2000 Smith Street, North Providence, RI 02911
