**CUSTOMERS
OF THE
SMITHFIELD
WATER
SUPPLY BOARD**

Our Consumer Confidence Report is available at our offices, 3 Spragueville Rd., Monday through Friday, 8AM – 3 PM. It is also available at the Smithfield and N. Providence libraries. This report is designed to inform you about the quality of the water you drink. It details the efforts we, and others make to ensure that our drinking water is safe and meets federal and state requirements. It is published pursuant to the US EPA's 1996 Safe Water Drinking Act as Amended. Any questions may be called in at 233-1034.
